

Home/School Agreement Policy Update – Summer 2017

We are pleased to inform you that we have recently updated our Home/School agreement based on feedback from you!

It now includes a more detailed description of how we can work together to embed our Moat Farm Values to provide children with all the key skills they need to become successful members of the community! Go into the policies section on our website to find it!

Your feedback is always welcome.

Parent/Child Friendly Policies Update – Summer 2017

WATCH OUT! Due to high demand, we will be launching our new parent/child friendly Anti-Bullying and Behaviour Recovery policies in September 2017. These policies have been written in consultation with parents and student council representatives to provide parents and children with a straight forward guide to understanding our key policies.

We are always on the look out to find ways to reward our children who have brilliant behaviour and attendance. We are currently reviewing this, so if you have any suggestions, please contact Mrs Scotney or Mrs Shaw.
