

18th September 2019

Dear Year 6 Parents and Carers,

Open Period

It has come to our attention that there has been incorrect information shared on the Sandwell website. Our Open Evening took place on Monday of this week. Whilst we do not have another Open Evening planned, we are happy to extend our Open Mornings and offer you the opportunity to come and see our school in action and take a tour with our student tour guides from 9.30-10.30am up until Friday 27th September.

One family commented on how impressed they were by Oldbury Academy this week and said that "everyone seemed really enthusiastic about the school and the direction it is heading in".

Please do take the opportunity to see our school in action and meet our fantastic staff and students.

Yours sincerely

Mr P Shackleton
Headteacher
