

# COVID-19: Checklist & model risk assessment for reopening of school premise after lockdown.

## Schools Safety Guide

### Document information

Document title	COVID-19: Checklist & model risk assessment for reopening of school premise after lockdown SSG		
Owner	SMBC - Corporate Health & Safety Unit		
Status	Live	Version	1
Effective from	3 <sup>rd</sup> September 2020	Approved on	3 <sup>rd</sup> September 2020
Last updated	5 <sup>th</sup> November 2020	Last updated by	L Braznell
Review date	7 <sup>th</sup> December 2020		
Purpose	To give schools SLT direction, guidance and advise on how to ensure schools are safely re-opened following the COVID-19 lockdown period		

## Introduction

The Government are now moving to a new phase in the light of the COVID-19 pandemic. The expectation being that businesses will now start to reopen, and employees will start returning to the workplace. All this is with the caveat that it is safe to do so, and that the “R number” (rate by which an infected person transmits to others) does not significantly increase.

Schools have been included in this phase and asked to reopen to certain year groups on June 1<sup>st</sup>, as part of a staggered return to full occupancy.

This school safety guide (SSG) should be read in conjunction with the latest Government guidelines for schools that are re-opening during the COVID-19 pandemic. In particular;

- [Opening schools and educational settings to more pupils from 1 June: guidance for parents and carers.](#)
- [Coronavirus \(COVID-19\): implementing protective measures in education and childcare settings](#)
- [Actions for education and childcare settings to prepare for wider opening from 1 June 2020](#)

It is anticipated that the Government will be updating these guides and producing additional guidance over the coming days and weeks. Therefore, it is important that school leadership make regular visits to the [Government website](#) that is aimed specifically at schools and other educational settings.

## Checklist & Risk Assessment

This SSG comes in two distinct parts;

### Checklist

**Part 1** is a “checklist” prompt form to assist schools in ensuring all health & safety issues have been considered prior to reopening of the premises. This should be completed prior to the risk assessment.

Further guidance on the statutory testing of plant & equipment can be found in the [school premise logbook](#).

### Template model risk assessment

**Part 2** is a template/model risk assessment that schools can adapt and adopt. As with all our model risk assessments, any red font will need to be read, amended where appropriate to ensure it is school specific.

Further guidance on the risk assessment process can be found in the [Risk Assessment SMP](#).

## Further information

If you require any further information, please contact the health & safety unit via our shared email address: [health\\_safety@sandwell.gov.uk](mailto:health_safety@sandwell.gov.uk).

## Part 2: H&S Checklist

Conducted by: **Laura Braznell**

Date: **9<sup>th</sup> July 2020**

Areas to consider	Y	N	N/A	Evidence/Comments	Further actions?	Who & When?
<b>Health &amp; safety/statutory issues</b>						
Have all health & safety compliance checks of plant & equipment been completed prior to opening?  (This can be done through referencing of the <a href="#">School Premise Logbook</a> or equivalent)	Y			All building statutory compliance checks have continued as normal and the water hygiene flushing routines have been adjusted accordingly, normal summer closing protocols will be followed. see premises log book.	To continue as normal with all these checks once school, re-opens in September.	LB and RN
Are there sufficient numbers of staff available in safety critical roles?  (e.g. fire marshals, first aid personnel etc)	Y			When school re-opens all staff will be working so we will have enough fire marshals.  First aid will need to be reviewed as many of the school first aiders are vulnerable and they have had this duty removed.  First Aid – AB, CW, TM, HJ, HB, GC, TR, LC, ES., JH.  Fire Marshalls – AB, NS, LB, CW	To review first aid procedures with staff, any pupils who feel unwell will be isolated in the first aid room and parents called, all staff will be provided with gloves, masks and aprons to carry out any first aid. The following vulnerable staff have had first aid duties removed from their role LW, GC. Each class has a dedicated first aider to reduce the risk of transmission across the school.	LB by the 17 <sup>th</sup> July

Areas to consider	Y	N	N/A	Evidence/Comments	Further actions?	Who & When?
Will a test of emergency procedures (e.g. fire drill) be carried out in the first week of school reopening?	Y			A fire drill be scheduled for the 1 <sup>st</sup> half term as normal as the school will revert back to the pre-covid fire emergency plan.  Fire drill took place on Monday 5 <sup>th</sup> October no issues identified.	no	LB, LS, RN
<b>Social distancing issues</b>						
Have small class groups been organised as per Government guidance?	Y			Reopening has been planned around normal class group bubbles of 30 as per guidance. .	no	
Have classrooms and other learning environments been organised to allow for social distancing?	Y			Classrooms have been set back up to accommodate 30 children but have been de cluttered to allow staff to maintain a distance, where required a teaching area has been taped off at the front of the class.	no	
Has consideration been given to arranging which lessons or classroom activities could take place outdoors?	Y			Where possible PE lessons will take place outside.	No	
Has movement around the school been reduced?  (e.g. use of timetable, selection of classroom etc)	Y			Pupils will remain in their allocated class groups and room except to wash hands and go outside at timetables intervals. Lunchtimes will also take place in the classrooms.	To monitor that children follow this	All staff

Areas to consider	Y	N	N/A	Evidence/Comments	Further actions?	Who & When?
Are there adequate signs/floor markings (e.g. one way, foot marks, hazard tape etc) in key areas to clearly identify the social distancing rules?	Y			There is hazard tape through school denoting 2m intervals. Playgrounds will be separated into class sections using cones to prevent classes mixing at break and lunch time.  Red boxes have been painted around playground doors and the reception doors that parents are not allowed to stand in to allow for social distancing from staff.	To ensure any worn lines are replaced	LB and RN
Have assembly groups been staggered?	Y			Assembly will take place in classes pupils will not be required to move around school	no	
Have break times (including lunch) been staggered?	Y			Yes See timetable	no	
Have drop off and collection times been staggered?	Y			Yes See timetable	no	
Have parents drop off and pick up protocols been revised to minimise adult to adult contact?	Y			Yes there will be a staggered start and end of the day to reduce the numbers of parents on site at any one time.	no	
Have all unnecessary items been removed from classrooms and stored elsewhere?	Y			Classrooms have been de-cluttered.	no	
<b>Infection control issues</b>						

Areas to consider	Y	N	N/A	Evidence/Comments	Further actions?	Who & When?
Have alternative arrangements been made for those adults/children who fall into the extremely vulnerable or vulnerable categories?	Y			<p>As per government guidance all shielding and vulnerable staff and pupils can return to school in Septmber, each member of staff has their own individual RA to reduce the risk whilst at work – see RAs</p> <p>As of Monday 9<sup>th</sup> December staff who are classed as extremely clinically vulnerable will be shieling at home during the lockdown until 2<sup>nd</sup> December or as directed.</p>	To review in line with government advice. On 2 <sup>nd</sup> December.	LB and LS
Have all soft furnishing/toys etc that are hard to clean been removed?	Y			Reading corners, cushion and bean bags have been removed and class rooms have been de-cluttered.	no	
Has a “deep clean” been conducted of any areas of the schools that have been out of action/mothballed since the lockdown?	Y			<p>A full deep clean will take place over the summer holidays.</p> <p>When a class bubble is closed due to a positive case the classroom is locked for 72 hours and then deep cleaned and then locked again until the pupils return.</p>	no	RN six week holidays
Is there an enhanced cleaning regime of common contact points in place (e.g. door handles, push bars, desks, whiteboards, etc)?	Y			The school is employing a cleaner to work 9-3 every day to continually clean, a schedule has been created for all the staff and pupil toilets.	no	

Areas to consider	Y	N	N/A	Evidence/Comments	Further actions?	Who & When?
Are additional cleaning materials (e.g. wipes) available for use of shared equipment (e.g. kettle, microwave, printers, computer keyboards, pens/pencils, paint brushes, etc)?	Y			<p>Wipes and spray are available for staff to use however all communal areas are out of bounds.</p> <p>10 days liquid is being used on laptops and tablets and the inventory signing in screen, this continues to kill viruses on surfaces for 10 days after application.</p>	no	
Is there a good supply of liquid soap and alcohol-based hand rub (ABHR) available for pupils and adults?	Y			<p>There is soap in all of the handwashing areas and all rooms have hand gel and all staff have been issued with sanitising hand gel. Touch free hand sanitiser stations will be installed over the summer in every classroom, reception, outside the toilets and in the library.</p>	no	RN summer holidays
Is there a ready supply of tissues for pupils and adults?	Y			<p>Tissues are readily available,</p>	no	
Is contaminated waste disposed of regularly and appropriately?	Y			<p>Yellow hazardous waste bins are now in every room. These bins have lids. The site manager has investigated disposal and once the material has been securely bagged after 48 hours it can be disposed of in the school's general waste. These bins are outside have lids and emptied weekly.</p>	no	

Areas to consider	Y	N	N/A	Evidence/Comments	Further actions?	Who & When?
Is an isolation room available should an adult or pupil become symptomatic whilst at school?	Y			Pupils taken ill will have to be isolated in the first aid room until parents can collect.	no	
Deliveries into school	Y			All deliveries of consumables into school will be left unopened for 72 hours.	no	
<b>Communication of Plans</b>						
Have parents been informed of the drop-off and pick up protocols?	Y			Letter to parents informing them of the staggered start and end of the day was sent on the 8 <sup>th</sup> July 2020.	No	
Are parents and young people aware of recommendations on transport to and from education or childcare setting (including avoiding peak times)?	Y			Parents will be ware of the risks of using public transport from the media and government guidance.	no	
Are parents clear that they cannot gather at entrance gates or doors, or enter the site (unless they have a pre-arranged appointment, which should be conducted safely)?	Y			Letter sent to parents on the 8 <sup>th</sup> July  This has been shared with parents but all parents will be reminded prior to returning to school  Letter/website/app – text reminders	Yes	LB 1 <sup>st</sup> September

Areas to consider	Y	N	N/A	Evidence/Comments	Further actions?	Who & When?
Are parents clear that if their child needs to be accompanied to the education or childcare setting, only one parent should attend?	Y			<p>Letter sent to parents on the 8<sup>th</sup> July</p> <p>This has been shared with parents but all parents will be reminded prior to returning to school</p> <p>Letter/website/app – text reminders</p>	Yes	LB 1 <sup>st</sup> September

Areas to consider	Y	N	N/A	Evidence/Comments	Further actions?	Who & When?
<p>Have staff been briefed about the plans (for example, safety measures, timetable changes and staggered arrival and departure times), including discussing whether training would be helpful?</p>	Y			<p>Staff have been kept up to date about the plans for reopening and offers for virtual meetings and phone calls have been made. Staff have been offered training. Contact has been made with Inclusion support as to how best support pupils with complex needs that will not be able to socially distance.</p> <p>Staff guidance document has been issued for all staff to follow. 'Working Safely at Moat Farm'</p> <p>This RA, government guidance and associated supporting documents will be shared before the end of term.</p> <p>All vulnerable staff have had a welfare meeting to discuss their individual arrangements.</p> <p>There will also be a COVID-19 H&amp;S briefing for staff on the training day on the 1<sup>st</sup> September</p>	<p>LB to follow up any requirements for training</p>	<p>LB. 17<sup>th</sup> July and 1<sup>st</sup> September.</p>

## Part 2: Template /Model RA

Risk Assessment for: **Re-opening of Premise after COVID-19 lockdown**

School: Moat Farm Junior School

Assessment Date: **9<sup>th</sup> July 2020**

Name of Assessor(s): **Laura Braznell**

Assessment Ref No:

### Risk Matrix scoring guide:

Likelihood	
1	Very unlikely
2	Unlikely
3	Likely
4	Very likely
5	Certain

Severity:	
1	No Lost time
2	Under 7-day injury or illness
3	Over 7-day injury or illness (RIDDOR)
4	Specified injury or illness (RIDDOR)
5	Fatality, disabling injury or illness

<b>High (15-25)</b>	These risks are unacceptable; significant improvements in risk control are required. <b>The activity should be halted with immediate effect</b> until risk controls are identified/implemented that reduce the risk to an acceptable level
<b>Medium (5-12)</b>	Additional control measures should be identified and implemented to reduce the risks associated with the activity or workplace so far as reasonably practicable
<b>Low (1-4)</b>	Minimal control measures are required to be implemented to satisfy the level of risk. Maintain current arrangements for risk control

Hazard	Who might be harmed and how?	CONTROL MEASURES (existing workplace precautions/risk control systems in place)	What further action is required?	By Who and When?	Residual Risk rating			Date completed
					L	S	R	
Utilities, plant & equipment has not been inspected /	Teaching, non-teaching staff, children, cleaners,	<ul style="list-style-type: none"> <li>School has a scheme of works whereby competent contractors are engaged to carry out statutory</li> </ul>	<ul style="list-style-type: none"> <li>Where extensions/exemptions have been granted by the HSE, a specific risk assessment for continued use</li> </ul>	RN and LB	2	4	8	Ongoing all premises compliance

Hazard	Who might be harmed and how?	CONTROL MEASURES (existing workplace precautions/risk control systems in place)	What further action is required?	By Who and When?	Residual Risk rating			Date completed
					L	S	R	
serviced within the recommended timescales	cooks, parents, visitors, contractors  Legionella, electrocution, CO <sup>2</sup> exposure, burns, cuts, bruises, broken bones etc	<p>testing/inspection of all plant and equipment.</p> <ul style="list-style-type: none"> <li>Pre-use visual checks are carried out by the user on all equipment.</li> <li>All little used outlets of water have been regularly/will be flushed prior to school reopening.</li> <li>Any plant/equipment that has been “mothballed” during the lockdown, will be/has been inspected/checked by a competent person before coming back into use, and before reopening the school.</li> </ul>	<p>of the plant/equipment has been completed.</p> <ul style="list-style-type: none"> <li>Any defects or faults are reported, and equipment taken out of use.</li> </ul> <p>Refer to <a href="#">Premise Management SSG</a> and <a href="#">School Premise Logbook</a> for further guidance.</p>					Is up to date
Lack of persons in safety critical roles (e.g. first aiders, fire marshals, etc) due to self-isolation	Teaching, non-teaching staff, children, cleaners, cooks, parents, visitors, contractors  Illness, infection, fatality	<ul style="list-style-type: none"> <li>Fire risk assessment kept under constant review.</li> <li>First aid needs assessment regularly reviewed.</li> <li>Number of pupils and adults on site will not exceed the number of persons required to</li> </ul>	<ul style="list-style-type: none"> <li>Fire drill practiced first week back to ensure school can be evacuated safely (considering social distancing at assembly point) with new working arrangements.</li> <li>If numbers of those in safety critical roles falls below that required by the assessments,</li> </ul>	Ls/ LB/ RN– 1 <sup>st</sup> Half term in September.  Took place on the 5th October	1	5	5
