

Moat Farm Junior School Trust

Where we prepare for tomorrow by achieving today

Dear parents and families,

A Happy New Year to you all.

Well, we are here again in a position no one wanted to be in. It does seem as if it is one step forward and two back at the moment but this is a different place from where we were last year. We now have the vaccine and this is being rolled out. We also have online learning in place and are able to support learning at home more effectively. I know that this is going to be extremely difficult for all families in different ways but I also know that we can pull together and get through this. I have been so inspired by the way our staff at school have worked to ensure that the provision we have in place is the best it can be. Thank you to all our parents who I know will work so hard with us to make sure their children are well taught at home. We need your support to make this happen and I can only guess how hard this is for families at home juggling work and family commitments at an already stressful time. Please do not feel that you are on your own. If there are things you are struggling with please contact the school and we will do our best to help you.

We will miss everyone in school and will be looking forward to seeing our children on Teams. Please hold onto the fact that this time will pass and we will all be back together in the end. Should you need help and support, please call us in school.

Please keep well and stay safe.

Best wishes,

Lara Stone
