

Dear parents/carers,

Red Nose Day is back on Friday 19th March and this year it has never felt more important to have some fun and raise money to support people living incredibly tough lives. To mark this event, this Friday we would like to invite your child to take part in a 'Non-Uniform' day.

We encourage any clothing that is bright and colourful, especially if it's red, as well as any Comic Relief themed accessories.

Please ensure that the clothing is appropriate for school, particularly if the weather is cold/wet, or your child has a P.E session on Friday.

Finally, please do not feel under pressure to make a donation this year, but if you wish to do so, please use this link to the official Comic Relief donation page: <https://donation.comicrelief.com/>

Please note – unfortunately we are not able to accept donations in school this year.

Thank you for your continued support.

Mr D Adams,

Class Teacher
