

Moat Farm Junior School Trust

Where we prepare for tomorrow by achieving today

Dear parents and carers,

This has been a week of firsts for us. We attended our first sporting competition in 20 months - Mrs Birch led a fantastic group of children to victory in Boccia and it is with great pleasure that I attach her match report.

“Four children were chosen to represent the school in a Sandwell Games Boccia tournament. Kyrin, Tyler, Ashton and Blake progressed from the group stage to the semi-finals. In the semis they knocked Wood Green Academy out of the competition with a great score of 6-0 (Secondary aged pupils). They then went on to win the final 9-0 against Burnt Tree Primary school!! “ Mrs Birch

What an amazing achievement, not just winning but winning by such a margin! I also know that the boys were brilliantly well behaved and were an absolute credit to our school and their families. A great day!

We have also had our first trips since the pandemic began. Year 5 visited Stratford upon Avon to learn more about the Tudors. They were so excited when they came back and it is wonderful to be in a position to start doing trips again. Our Moat Farm University have started to study the English Civil War and we had a brilliant day in Worcester at the Commandery museum.

Finally – we have started to have in person Parents’ Evenings again. It has been a long time but we have parents back in school. It was lovely to see you all this week.

Have a great weekend,

Lara Stone
