

Moat Farm Junior School Trust

Where we prepare for tomorrow by achieving today

Dear Parents and Carers,

I cannot believe we are in October already. The time has quite literally flown since we have returned to school. All classes are now well settled and are enjoying the new freedoms we have this term. Our library is finished and it looks beautiful – having had it partially shut at the start of term, it has been wonderful for children to start borrowing books again and enjoying the new reading environment. Thank you to all families that are reading three

times a week with their children at home. Please keep up the great work. Children who read regularly at home do better at school so your support with this is vital. The Poetry Day was a brilliant success and every class produced an excellent poem.

We have had some complaints from local residents about parking issues around the school. A particular concern was the parking around Moore Crescent with some residents saying that they are blocked in at certain times in the day. Please park in a way that is considerate to others.

PE kits

Thank you to parents that are sending in PE kit for their children. If you are not sure what children need to be bringing in for PE, please check with your child's class teacher. It is important that all children are dressed in a way that allows them to participate in PE lessons safely.

Parents' Evening this term will be on the 9th and 11th of November. Invitations will be sent out early next week. There will be the option to see your child's class teacher on site or to receive a phone call.

Have a wonderful weekend,
Lara Stone
