

Moat Farm Junior School Trust

Pupil 'snack' Policy

To enable us to keep children with significant food allergies safe and to enable us to identify those pupils who generally are not receiving the food they should be at home the following must be followed:

- Staff will not give children any snack or tuck at all during the school day.
- Staff will not buy food to keep in school to give to pupils.
- If a child asks for tuck please ask if they have had breakfast at home, only children that say they haven't had breakfast are to be sent to the pastoral office.
- Mrs Woodhall or Mrs Barnett will call home and ask if the child has had breakfast, if they haven't consent will be gained to give a banana or apple to the child.
- A record will be kept of all children receiving Tuck.
