

Our vision is for all children at Moat Farm Junior School to enjoy their experiences with us and become life long learners. Our values underpin all that we aim to do in our school, to ensure that everyone has the support and opportunities to thrive as a citizen throughout their life.

Our Citizenship Award has been created to enable all of our children to understand these values. We endeavor to work alongside our families to encourage all children to develop and embed these citizenship qualities in all that they do. Let's all move forward together!

Moat Farm Junior School

My Citizenship Activity Booklet

In order to work towards this Citizenship Award , we want our children to demonstrate the different qualities from our citizenship activities below. This will begin in Year 3 right up to the time they leave us in Year 6 to move onto the next stage of their learning journey. In order to achieve the bronze, silver, gold and platinum awards, children will need to complete a number of activities.

Bronze= 7 Silver= 14 Gold = 21 Platinum = 25
